

Hair Bands

Now you can make your own hair accessories during your summer vacation and have them ready for back to school. You will need the following supplies:

- 1.- Plain bands
- 2.- Ribbon 1" wide
- 3.- Glue (our product #12651)

Optional Supplies:

- 1.- Calcium Sand (our product #26137)
- 2.- Dyed Umbonium (our product #28997)
- 3.- Littorina Yellow (our product #85464)
- 4.- Dyed Sm Baby Ark Pearl (our product #28952)

Now these steps:

Step 1 Cut 2 pieces of ribbon appx. 1" long and glue it to the plain band.

Step 2 Now start covering the plain band with the ribbon all around. Or if you want to use calcium sand just cover the band with regular glue and sprinkle calcium sand all around. If necessary do it twice once is dry.

Step 3 Then make little flowers using the dyed umbonium with the littorina or use the dyed sm baby arks to decorate the bands.

With these easy steps you can have beautiful head bands for back to school.
