

# Mosaic Mirror

Let's continue working with mirrors, now we can have a beautiful mirror that looks like mosaic. To do this beautiful mirror you will need these supplies:

- 1.- A 11½" Diameter Mirror
- 2.- Cardboard
- 3.- Pencil
- 4.- Scissors
- 5.- Clear Glue (our product # 12651)
- 6.- ¼" White Nylon Rope
- 7.- Dyed Pearlized Umbonium (our product # 85294)
- 8.- Pearlized Umbonium (our product # 28059)
- 9.- Prong Hangers

## ***Steps:***

**Step #1** On a rectangle cardboard 13" x 17" glue the mirror in the middle.

**Step #2** Then, glue the rope around the mirror and all around outside the cardboard.

**Step #3** Start gluing the pearlized umbonium (item 28059) and the dyed umbonium (item 85294) just follow the mirror shape. Note: glue a pearlized and then a dyed one.

**Step #4** After you have glued the umboniums all around the mirror put the prong hanger on the back and add hot glue to adhere the hooks.

And now your wonderful mosaic mirror is ready for decoration.
